

Beijing:

April 13, IHEP dark matter chat:

<https://cnidlamp.jlab.org/RareEtaDecay/JDocDB/node/63>

(only two talking points: Wuhan visitor, eta' -->gamma + B)

April 15, short talk to audience of engineers, etc, at SCET2015 in Beijing:

(on Eta Rare Decay docDB, no need to look at it)

April 17, seminar at Qinghua University

<https://cnidlamp.jlab.org/RareEtaDecay/JDocDB/node/64> version 8

(briefly flash slides 2 and 60)

Lanzhou:

April 20, revised version of same seminar at Lanzhou University

April 21, final version of same seminar at Institute of Modern Physics

On return I wrote up my notes:
